5-6 March 2013

Canada DND EA Update

Mr. Steve Challinor,
Director of Enterprise Architecture
DND Canada

DND/CF ENTERPRISE ARCHITECTURE PROGRAMME

Inform. Decide. Transform.

PROGRAMME D'ARCHITECTURE D'ENTREPRISE DU MDN/FC

Informer. Décider. Transformer.

Outline

☑ The DND/CF EA Programme

☑ Looking Ahead

Background: Department of National Defence (DND) and the Canadian Forces

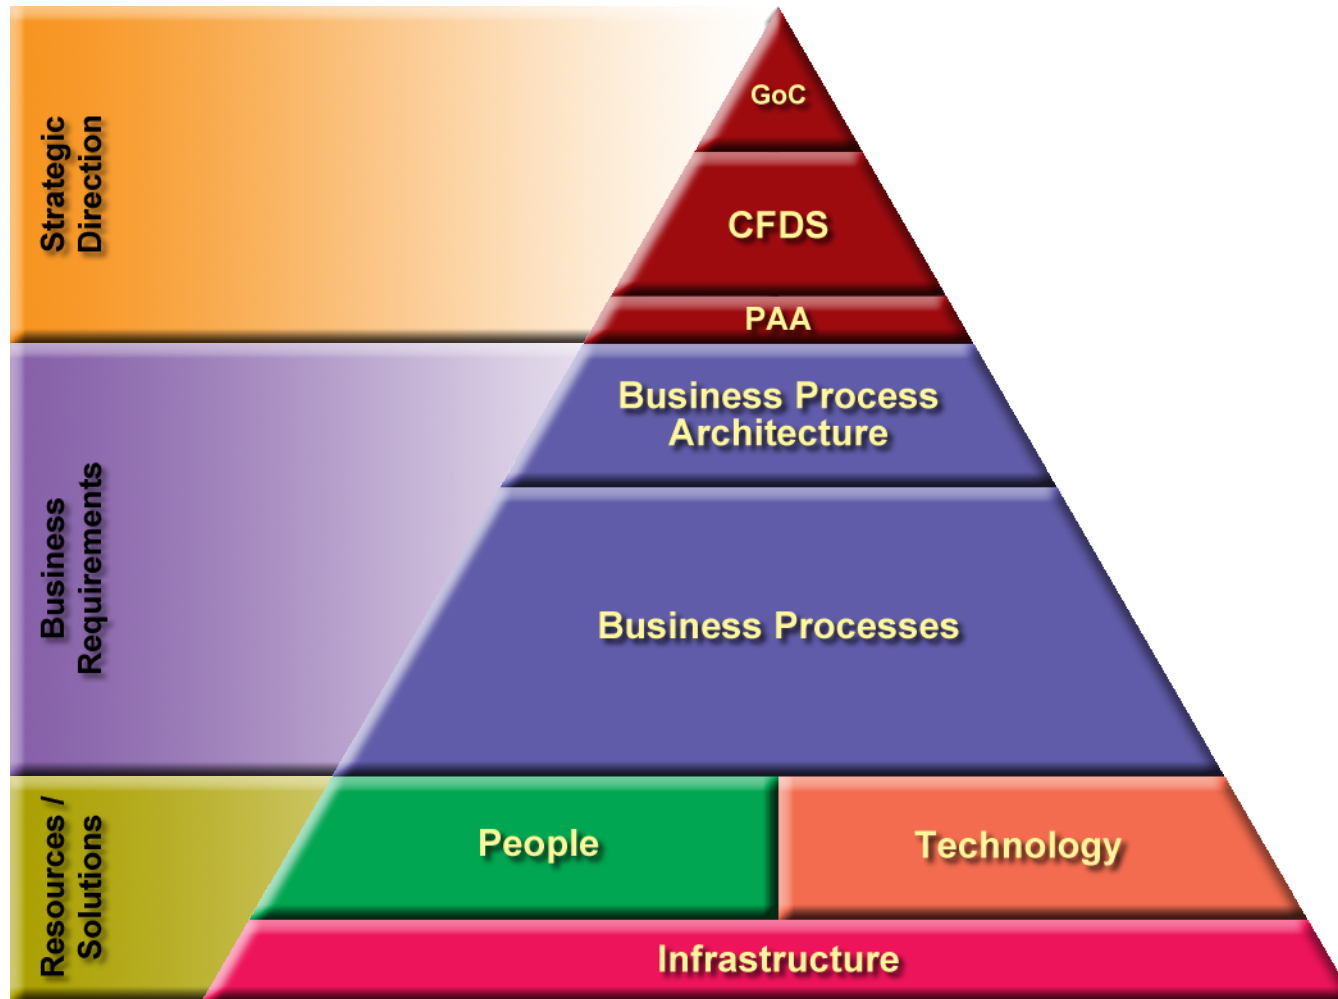

- DND is the largest federal government department in Canada.
- DND and the CF together have a budget of approximately 18 billion dollars, and over 110,000 employees, including:
 - 65,000 Regular Force members;
 - 25,000 Reserve Force members (including 4,000 Canadian Rangers); and
 - 28,000 civilians.
- Tri-Service force: Army, Navy and Air Force
- The Deputy Minister has responsibility for policy, resources, interdepartmental coordination and international defence relations; and
- The Chief of the Defence Staff has responsibility for command, control and administration of the Canadian Forces and military strategy, plans and requirements.

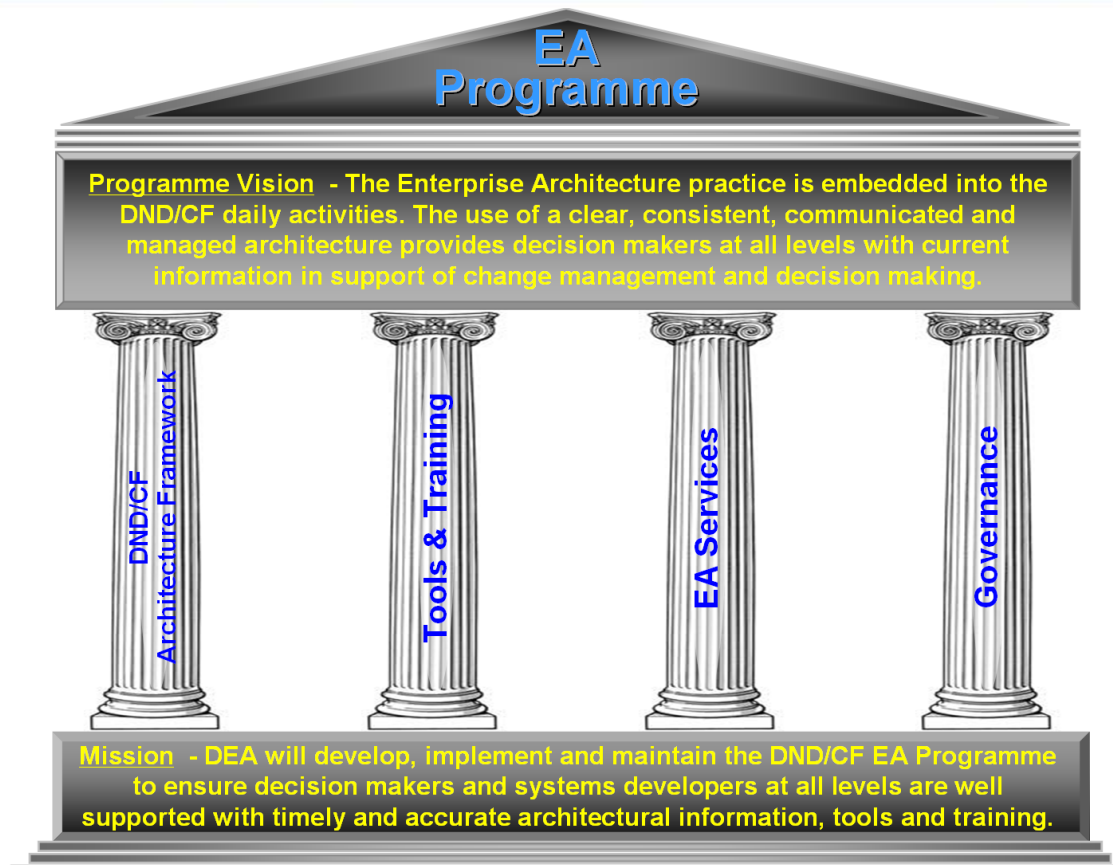

3 Primary Roles for DND/CF

- Defend Canada
- Defend North America
- Contribute to International Peace and Security

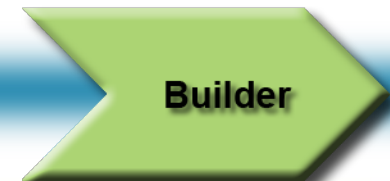

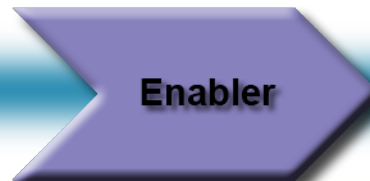

DND/CF View of Enterprise Architecture

Building a successful EA Programme for DND/CF

**Federated
EA
Roles**

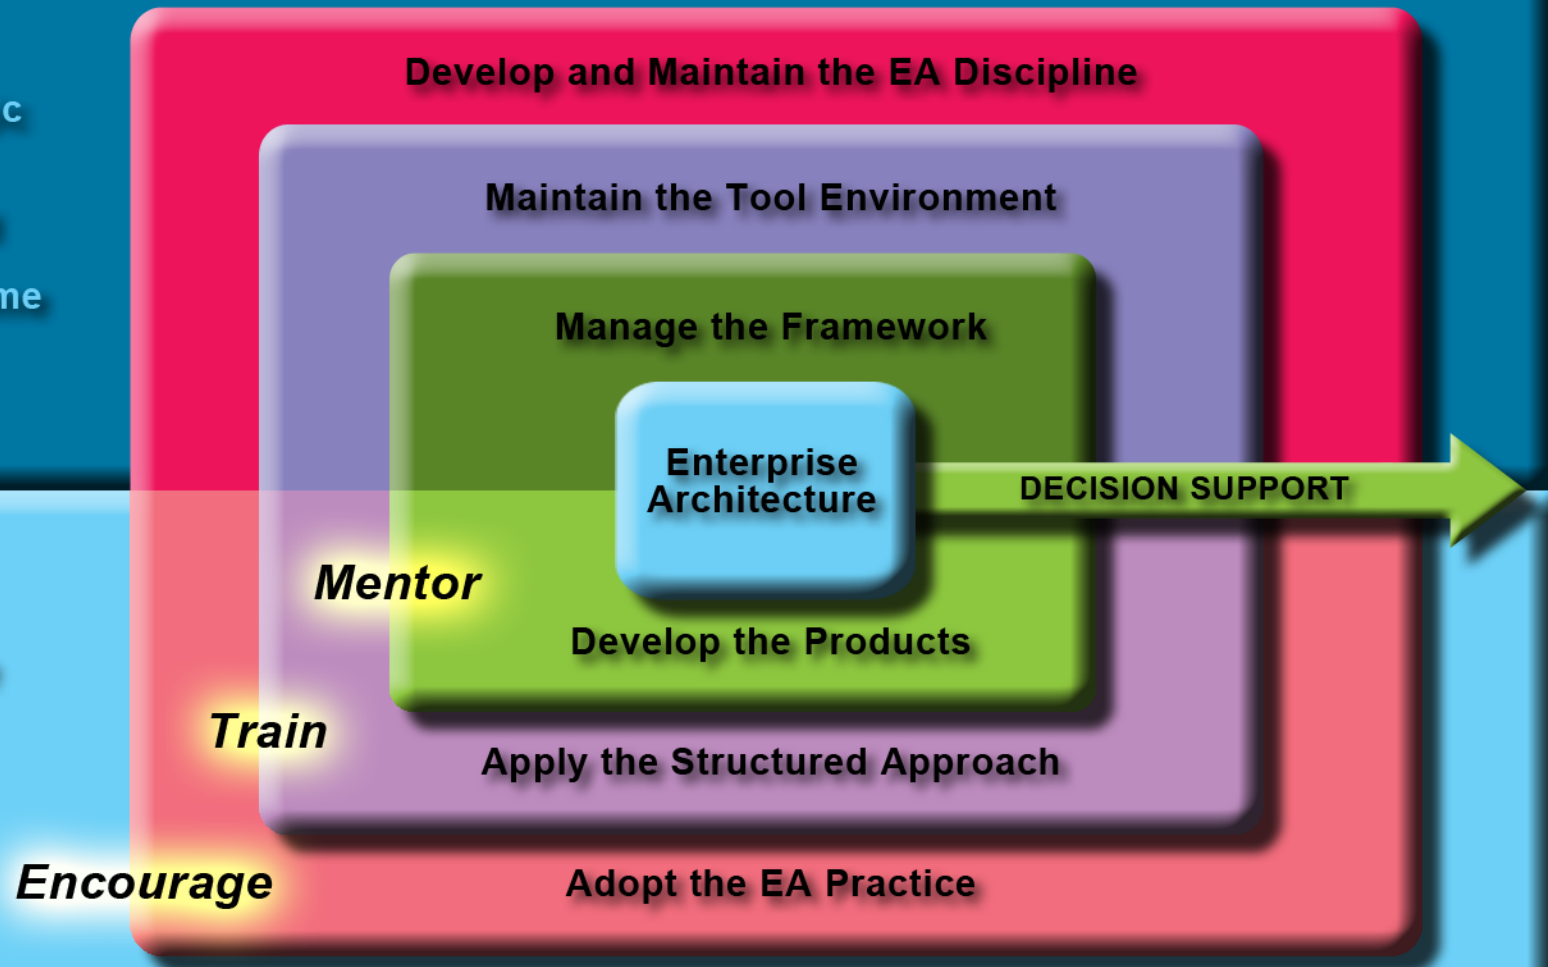

DND/CF EA Programme Intent (Concept of Operations)

DEA

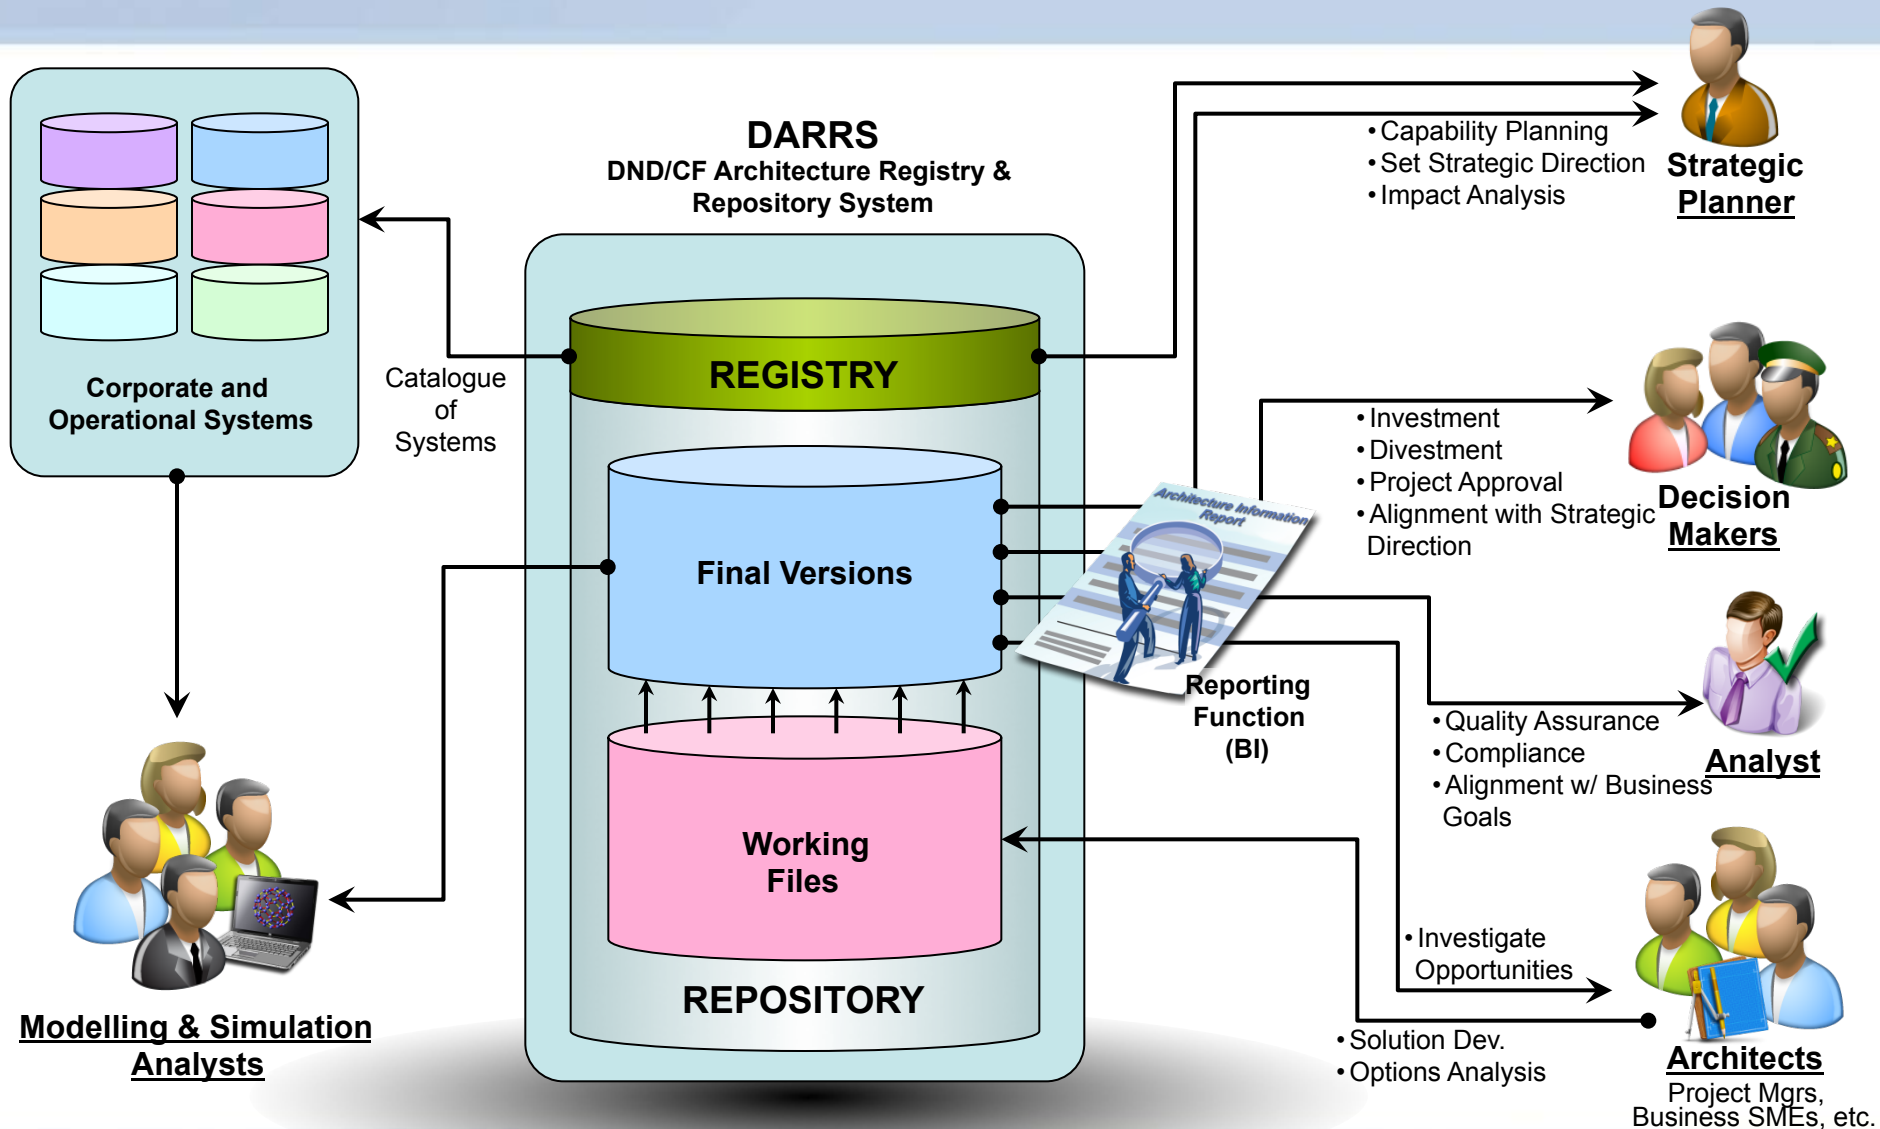

- EAP Strategic Direction
- Develop and Manage the EA Programme

Clients / L1s

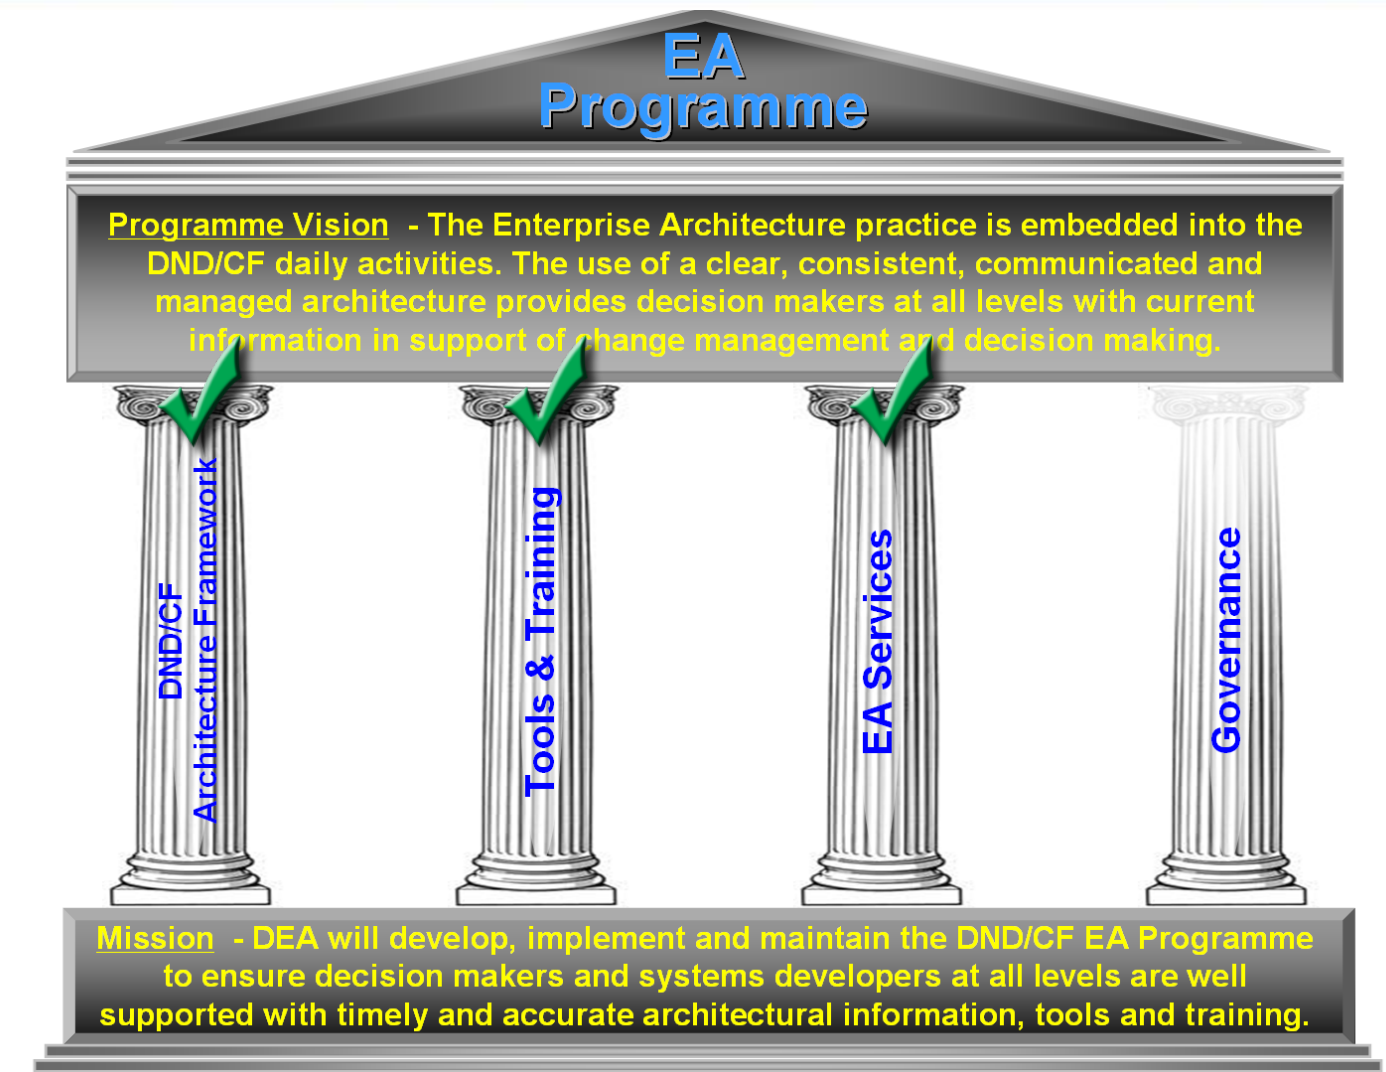

- Build Architecture
- Exploit Information

Users of Enterprise Architecture

DND/CF EA Programme Status

Looking Ahead

- Responsibility for Enterprise Architecture within DND/CF is transitioning to the organization headed by the Vice-Chief of the Defence Staff (VCDS)
 - VCDS is the resource manager for DND/CF
 - EA will become more strategically focussed, used for decision making related to investment and divestment
- DND/CF is actively supporting international activities to further enhance military architecture framework standardization by participating in the UPDM WG, the IDEAS WG, NATO's Architecture Capability Action Team and the evolving Unified Architecture Framework (UAF) initiative.
